LOUGHEED TOWN CENTRE WELCOMES SANTA BACK!

Burnaby, BC – It's beginning to look a lot like Christmas at Lougheed Town Centre and what would Christmas be without Song, Snow and Santa? It all begins at 10:30am on Saturday, November 19th, when you can join us in the most magical moment of the year as we welcome Santa back from the North Pole!

Children will meet Santa's closest friends – Rudolph, Frosty and the Snow Queen – and help Santa to find his way to Lougheed Town Centre with a sing-along to some of their favourite Holiday tunes. Also, watch amazing live contortion dolls as they bend, twist and wrap themselves into a bow bigger than a Christmas present!

Then join us in a parade to Santa's Winter Wonderland and maybe all our Christmas wishes will come true and it may even snow at Santa's Workshop, making this a most magical day.

Until 2pm, children will be able to decorate a Christmas cookie and write a letter to Santa with the help of volunteers from the Canada Post Letter Carriers.

And don't forget to take a fun ride on the popular "North Pole Express" miniature train and of course, visit Santa and have your photo taken with him for a special holiday memory!

Lougheed Town Centre is located at the corner of
North Road and Austin Avenue in Burnaby, BC.
